

Magnetic RJ45

- IEEE 802.3ab: 1 Gbps
- IEC 60603-7-51: Connector and socket
Temperature range -25 °C to +50 °C
- Mating cycles $\geq 10,000$
- IEC 60512-99-001: Contact and wear zone of contacts separated
 - Circuit diagram 1:1 (termination according to EIA/TIA-568B)
- Cable: S/FTP 4x2x AWG26 Cat 6A LSHF, cable outer diameter 6.8 mm
- ISO/ IEC 11801: S/FTP cable category 5e with class D system up to 100 MHz
- Power over Ethernet: PoE according to IEEE802.3af and PoE+ according to IEEE802.3at

IEEE 802.3ab	S/FTP cable category 5e with class D system up to 100 MHz
EC 60603-7-51:	Connector and socket
Power over Ethernet	PoE according to IEEE802.3af and PoE+ according to IEEE802.3at
IEC 60512-99-001	Contact and wear zone of contacts separated
Circuit diagram	1:1
Cable	S/FTP 4x2x AWG26 Cat 6A LSHF, cable outer diameter 6.8 mm
Temperature range	-25 °C to +50 °C
Mating cycles	? 10,000

Exclusive Distributon in Bangladesh
