

## 1.0mp/1.3mp/2.0mp Varifocal AHD Vandal proof Camera

### Feature

- ONVIF 2.1(1.02 backward Compatible)
- 1/3" CMOS Sensor
- IR Distance 30-50M
- Support P2P function
- Support H.264 Compression
- Support Alarm and Audio (optional)
- IP66 Rated Waterproof
- POE (IEEE802.3af);12VDC Power Supply

|                                     |   |
|-------------------------------------|---|
| Model                               | UV-AHDDX402                                   |
| Back up Element                     | 1/4" H42 + NVR2431H                           |
| Effective Picture Elements<br>(H×V) | 1280*720                                      |
| Horizontal Resolution               | 720P  |
| Min. Illumination                   | 0.1Lux 0Lux (with IR LED ON)                  |
| Max S/N Ratio                       | More than 48dB                                |
| Scanning System                     | 2:1 interface                                 |
| Synchronous System                  | Internal, Negative sync.                      |
| Shutter to Electronic Shutter       | NTSC: 1/60s~1/100,000s, PAL: 1/50s~1/100,000s |
| Gamma Characteristic                | 0.45  |
| Distance                            | 25 Meters (with 36PCS Infrared LEDs)          |
| Status                              | Under 10Lux by CDS                            |
| Power On                            | CDS AUTO Control                              |
| Video Output                        | 1Vpp, 75Ω                                     |
| Auto Gain Control                   | Auto  |
| Power/Current                       | DC12V/500mA                                   |
| Lens                                | 2.8~12mm Varifocus Lens                       |
| Dimension (mm)                      | Φ131 x 93(H) mm                               |
| Weight                              | 0.8kg   |
| Storage Temperature                 | -30~+60℃                                      |

Operating Temperature

-10~+50?
