

**UV-AHDBQ525 2.0MP**

**Feature**

- AHD 2.0 MP, 1080P, H.264, 30Meter
- Indoor Dome, Plastic Body Camera
- 24 Pcs IR, 12V 1A

|                         |                                                 |
|-------------------------|-------------------------------------------------|
| Model                   | UV-AHDBQ525                                     |
| <b>Hardware</b>         |                                                 |
| Sensor                  | 1/3" CMOS Sensor                                |
| Resolution              | 1920X1080 2.0 MP                                |
| Lens                    | 2.8/3.6/4/6MM Lens                              |
| IR LED                  | 4 Pcs LED Array                                 |
| Day/Night               | IR-CUT                                          |
| Min. Illumination       | 0.5lux; 0 lux with IR on                        |
| Max S/N Ratio           | 50dB                                            |
| <b>Video</b>            |                                                 |
| Compression             | H.264                                           |
| image                   | main stream: 2.0MP@30fps                        |
| Bit Rate                | 128~4096kbps, Supports CBR/VBR                  |
| Image Control           | Hue, saturation, brightness, contrast, exposure |
| Auto Image Control      | AE, AWB                                         |
| <b>Audio (Optional)</b> |                                                 |
| Compression             | G.711-A                                         |
| Bit Rate                | 64kbps/128kbps                                  |
| Talkback                | support                                         |
| Mobile phone            | Iphone, ipad, Android                           |
| WIFI Encryption         | WAP, WAP2                                       |
| <b>Interface</b>        |                                                 |
| Audio Input (Optional)  | 1 CH 3.5mm audio interface, MIC IN/LINE IN      |
| Audio Output (Optional) | 1 CH 3.5mm audio interface                      |

| General             |                         |
|---------------------|-------------------------|
| Working Temperature | -10°C~ +55°C            |
| Working Humidity    | 0% - 90%                |
| Protection Level    | IP66 Rated Waterproof   |
| Power Supply        | DC 12 V/1A              |
| Power Consumption   | Maximum 6w              |
| Approvals           | UL, CE , FCC, RoHS, ISO |
